TROOP MEETING PLANNING

Adjustments made to February 20 and 27th to add events from 2/13 that were not completed.

2/20 will include First-Aid

2/27 will include Winter transportation

Due to less than 20 participants we do not qualify for a discount. Need input on 2/20 to determine if we go on the 25th or we try to reschedule for March 4th or 11th and invite Webelos that can attend with their parents.

Plan agenda for weekly troop meetings for March 6, 13, 20, 27 for Cooking.

3/6 – Patrol Box, food box and ice chest clean up and marking.

3/13 – Outing Planner, Cooking MB, food and cooking safety.

3/20 – Dutch Oven Cooking – by Patrols and Methods for Dutch ovens.

3/27 – Nutrition, Backpacking Food and Menus.

March Activities

3/23 – Troop outing – Leo Carrillo outing for Troop Cook out

3/31 – Spaghetti Dinner

Special Event – All Scouts that complete a menu plan for a breakfast, a lunch, a dinner and a dessert will receive their choice of either a set of plastic ware or a fire starter.

OLD BUSINESS –

Eagle Scout project book copies for Troop library. Two books have been added, we are still looking to get copies from Chris Peters and Daniel Smith. WE are also investigating electronic copies on our website.

Patrol Notebooks – we will purchase new notebooks and start over for the 4 existing patrols. Crocs will complete a binder in preparation of passing it to a new patrol in June. We will include Patrol Rosters, Troop Calendar, a section for outing planners, a cover sheet with flag and yell information and a section for menus – to be collected in March.

Patrol cards will be developed with patrol name, emblem and yell on one side and the patrol roster on the back of the card.

NEW BUSINESS

No PL reports from those present.

Summer Camp reservation has been made for Camp Mataguay. We need to send our first payment to the camp by March 1st. Flyers were distributed on 2/13 to alert scouts and parents that we need \$100 reservation fee from each scout planning to attend.

Look Ahead Apr, May, Jun.

April – Fishing Outings

Mr. Coste will be investigating an Ocean trip for the troop outing. The troop is also planning a local trip to Vogel Flats and will be inviting the Webelos to attend. WE need to plan some activities for them on that outing. Scouts indicated that we should also plan for an overnight outing that allows for fishing. – Looking at Cachuma Lake.

May – Hiking and Tracking – we need to find someone with tracking skills to support this activity.

June – Camping and Backpacking – Mr. Peters ASKED Kenyon to find out if the Habitat group had any activities planned for June.

SM Leadership Minute – SM Bob reminded those present that we need to get more input from our patrol members. We need to ask for that input and follow up with scouts for outing ideas including locations and activities. It will ultimately make our jobs as leaders easier.
