Patrol Notebooks – purchase approved – need to get check from treasurer and make the purchase. – Assigned to SM Bob

Summer Camp update -12 scouts are registered. detail on camp MB's and paperwork to follow

NEW BUSINESS

PL reports:

Dragons need to finish up their flag.

Sharks have a new member – Josh Gardner

Eagles need a new spatula –Mr. Peters suggested looking in the storage area for one.

No New Business to report.

Look Ahead Jun, Jul, Aug.

June – Camping and Backpacking – Mrs. Clark has identified a great backpack outing and we will go forward with scheduling this event for June. We also have the opportunity to add another outing in the San Gabriel Mountains to continue work on our High Adventure patch. Scouts should be investigating the other outing listed for the patch and make suggestion at the PLC meeting.

July – Mr. Peters suggested we extend Backpacking from June to include July and move Boating and canoeing to August. We will then have more opportunities to backpack this Summer. Summer camp at Mataguay will be 7/15-7/21. Hopefully, with the time extension the Crew will be able to finish the kayaks for the August outing.

August – This month will include our annual trip to Fiesta Island. With the Troop/Crew kayaks we should have more equipment available. Scouts will still want to rent sail boards, but we will also have other opportunities for boating and swimming.

SM Leadership Minute – Go the extra step. If we want something to happen, we need to do our part to make it happen! For example, the Dragons want to finish their flag, they need to bring a glue gun and find the materials so they are ready to work on it when the time is available – or they could take it home and have a special meeting just to finish their flag. Scouts make things happen, they don't wait for them to happen to them.
