TROOP MEETING PLANNING

Review meeting plans for March – Canoe Making and Water Outings

Daniel suggested a ‘brain-storming’ session to come up with ideas for the topics for January and February. Because of the snow situation, the PLC is recommending postponing the Ski trip until February 12, but leaving the Camp out on Feb. 25th as planned. PL’s will work with their Patrols to determine if we go Snow camping or some other camping venue. After the brainstorm topics were narrowed down to the following:

Meetings for March:

7th Patrol Time – to review Patrol Agenda
Patrol boxes - restock supplies and plan for outings
Game Activity – planning for upcoming game activities

14th Advancement Review

28th Teach from Canoeing MB book

OLD BUSINESS

All old business complete At this time..

NEW BUSINESS

There was nothing to report from the Patrol Leaders.

Venture Patrol – Mr. Peters again reminded everyone about the Venture Patrol plans. He has not received any questions from any of the candidates about progress or membership.

Summer Camp – Mr. Peters reviewed Summer Camp update. We have 9 boys registered. He will follow up to see how many additional are interested in going. First payment has been collected at end of February. There is still time for others to join.

Canoe making – Mr. Peters reviewed plans for building canoes and suggested that we build the troop canoes in two groups. 6-8 canoes in the first batch and the rest plus any personal craft in the second group. Some time was planned for work at troop meetings; other work sessions will need to be planned for weekends. Mr. Peters also reviewed the project plans for the building process. It will take several weeks to complete each group.

Mr. Peters asked scouts to put together lists of new games. He suggested broom hockey, but reminded scouts that it takes planning and preparation for it to work. Scouts will try broom hockey on 2/14. Mr. Peters will bring books for scouts to find games on 3/7.

SM Leadership Minute – no Leadership minute this month.
